PLAN TO REOPEN

Due to Covid-19 our season will be looking slightly different this year. Please find below information on how we plan to reopen and run trials for the 2020-2021 season.

THE PROCESS

Pre-register for further information and updates by visiting www.unityallstars.com/trials. Information on how to book a trials slot and pay online will be emailed out in due course.

CAMPS AND CLINICS

Based on a provisional opening date of Monday 6th July, we plan to run 2 weeks of camps and clinics focusing on tumbling, jumps and fitness only, with full social distancing measures in place.

These will be a great opportunity for preparing for trials and meeting the UA staff! Information on how to book onto these will be released on our social media platforms.

TRIALS: STAGE 1

Trials to assess tumbling, jumps and dance will provisionally take place the week beginning 20th July. Following these, athletes will be placed by age and tumble ability for a summer training schedule.

Potential non-tumble team athletes will still be required to attend and be assessed on dance, jumps, strength and fitness.

SUMMER TRAINING

Summer training will focus on tumbling, fitness, jumps and endurance and will follow social distancing measures. Non-tumble athletes will focus on fitness and strength based stunt specific workouts. New skills mastered during this time will be taken into account for team placements. Costs and schedule can be found on the next page.

TRIALS: STAGE 2

As soon as it is safe to engage in close contact sports we will hold our stage 2 trials. These will involve stunt/ building based assessments. The stunt trial, your stage 1 assessment and summer training progress will be used to then place you on your competition team for the remainder of the season.

"This will be our seventh season at Unity and Cecily remains as keen as ever! She's been on Skye, Lime, Peach, Lemon, Pearl, Jade and Saffron, and is hoping one day to make it onto a worlds team. As well as competing at various venues in the U.K., she also competed in Dallas with Lemon, which was an incredible experience."

Cheerleading has given Cecily so much. The team spirit is amazing, and the skills she has learned in team work, handling pressure, success and failure are important life lessons. On top of that, the physical and mental strength it requires are enormous. The coaches are an inspiration - totally committed to the sport and getting the best out of all kids, whatever their potential. I'm not sure who Cecily would be if cheerleading wasn't in her life, but we are so grateful that she found this wonderfully rewarding sport she enjoys so much. "

WORLDS 2021

ROYAL . RUBY . BLACK . STEEL

Unity Steel, Royal, Ruby and Black have bids to attend the IASF World Cheerleading Championships in April 2021 following the cancellation of Worlds 2020.

In order to ensure that these teams are excelling in their respective divisions they train intensively and a high level of commitment is expected. All athletes offered a place on a Worlds team are expected to commit to attending the World Championships.

The provisional dates for the Worlds trip will be Friday 16th April to Thursday 29th April 2021. We will offer a travel package covering flights, accommodation, transport and entry for the competition to keep costs as low as possible. We estimate costs to be around £1300 per person for the trip payable through a monthly payment plan starting in September.

“Being at Unity has been one of the most fulfilling times of my life. The Unity programme is welcoming and inclusive on all levels, combines so many emotions and challenges me to be a better cheerleader. It's given me focus and another family i can rely on and I've made friends for life.

Unity is what my dreams were made of. I never expected to be of a standard to ever compete at Worlds and to compete with the best of the best is inspirational!

I'm grateful to my coaches and my team mates who helped me fulfil this dream. I love being a part of the Unity family.”

Victoria Davis - (Athlete)

RUBY - NCA 2021

In 2020 Ruby headed to NCA Nationals in Dallas, Texas, the biggest cheer competition in the World! We would consider taking the team back to NCA however no decisions will be made until the team has been selected.

COMPETITION DATES

UK competition dates for Worlds teams can be found on page 6 however, bid dependent, additional dates may be added for these teams with further information given with team placements.

FC BARCELONA

LEMON

Sadly Lemon are unable to travel to Spain in June to compete at Future Cheer Barcelona. However we are delighted to be able to offer this opportunity once again for 2021! Lemon will be an International Junior Level 1 team open to athletes who are aged between 10 to 16 at any point during 2021.

Travelling abroad as part of a team is an incredible experience. Athletes who made Lemon last season will be given priority to participate once again however there will also be additional spaces available. Training for Lemon will work slightly differently this year, with training commencing on Sunday afternoons in April 2021 and culminating with a 3 day intensive training camp in the half term before the athletes depart for Barcelona on the Thursday evening.

Lemon will depart for Barcelona on the evening of Thursday 3rd June and return late on Sunday 6th June 2021. Anticipated cost of the trip is around £400. Please note that this trip is completely optional and there will be no fundraising for travel costs, however a manageable monthly payment plan will be put in place. Further information on trials and training costs will be released in September.

“Unity Allstars - where to start? Well lets just say that it is our home away from home. It is the most amazing family you could ever dream of, everyone within the programme looks out for one other and will pick you up when you are down. I couldn't imagine my life without it. I would totally recommend trying out because if you don't try you won't succeed! ”

ADDITIONAL CLASSES AT UNITY

TUMBLE CLASSES

TUMBLING IS AN INCREDIBLY IMPORTANT PART OF ALL-STAR CHEERLEADING AND WE RECOMMEND THAT ALL ATHLETES SUPPLEMENT THEIR WEEKLY TRAINING WITH A SEMI-PRIVATE TUMBLE CLASS.

IN OUR NEW FACILITY, WE WILL BE OFFERING EVEN SMALLER CLASS SIZES TO MAXIMISE LEARNING! FURTHER INFORMATION ON THE TUMBLE CLASSES ON OFFER WILL BE EMAILED OUT WITH TEAM PLACEMENTS.

START DATES FOR ALL CLASSES TO BE CONFIRMED

TUMBLE PRIVATE LESSONS

We have multiple coaches who are able to offer private tumble lessons to athletes. Privates are £20 per person per half hour session.

All privates are at the coaches discretion and they have the right to select athletes as they so wish. Coaches may also offer privates to small groups of 2 or 3 athletes.

Privates are bookable and payable through our online system Simply Book. Information will be sent out post trials.

“ Both my daughters really enjoy attending the additional classes that Unity have to offer, and they also supplement their learning with a private. They have benefited hugely from focusing on specific skills and working on their technique. They have both developed as cheerleaders, gaining in confidence and reaching their personal goals. ”

Liz Kempson (Parent)

AN AFFORDABLE SEASON

What are we doing for our families and prospective new athletes post Covid-19?

Our priority will be to re-establish the gym as the place it was - a home to all of our families and their athletes where they can learn, develop, flourish, be part of a team and make friends and life long memories. We want every single one of our athletes to be able to return and new athletes to be able to join us, so we have looked into several options to save money where possible.

Fees Freeze

Moving into our new facility last year brought a noticeable increase in overheads, but we froze fees with the view to review and potentially increase for the 2020-2021 season. However, we will continue this fees freeze for the upcoming season with no additional unnecessary costs added.

Uniforms

As the age grid is changing so that all athletes remain within their current age groups for an additional season we will be keeping the same uniforms for another year. We will work with all of you via the team mums to source second hand uniforms for those who need them.

Music

As the majority of our athletes had only competed once we are going to keep all of our music for the new season. The mixes will require an edit and will need to be re-licensed but music is incredibly expensive so we are able to cut costs here.

Membership package

We will be looking to reduce the membership cost where possible despite a rise in insurance costs (covers practise wear, insurance, choreography and music). We will be offering a reduced cost membership option for returning members including a new team tshirt but no shorts or a scrunchie. Shorts and scrunchies will be available to purchase separately throughout the season - please note these are uniform items that all athletes must have.

Choreography and camps

Where possible teams will keep a lot of the same choreography and we will prioritise doing as much as possible in house. Our Worlds teams will focus on edits as opposed to entire new routines. We will still look at including one affordable stunt camp for the Junior and Senior teams.

Competitions

We will not be adding any additional competitions to our schedule; it will remain the same as it was for the 19-20 season. We have credit for ICC Nationals so there will be no payment due for that for returning members (excluding new crossovers).

Please remember all competitions are one day events; hotel stays are not necessary unless a team has a very early start. We also notice each year that families may over order on spectator tickets which are one of the higher costs, so we would encourage families to only order what is needed to try to save here.

ATTENDANCE POLICY AND DRESS CODE

Please be aware that we do not mean to scare anyone with our attendance requirements. However, All-Star Cheerleading is a demanding team sport that takes full commitment from both athletes and parents; please remember that one person's absence will affect the entire team. Please ensure that you can fully commit to the team. Only graded school exams/ activities and family emergencies are considered reason enough to miss training and competition. We all make social sacrifices for these dates!

UNITY MEMBERS MUST COMMIT TO ALL DATES

1. ATHLETES MAY NOT MISS ANY TRAINING DATES IN THE 3 WEEKS LEADING UP TO COMPETITION FOR ANY REASON. MISSING PRACTISE MAY RESULT IN THE COACHES HAVING TO MAKE CHANGES TO THE ROUTINE FOR THE TEAM'S BENEFIT, AFFECTING THE ATHLETE'S POSITION IN THE TEAM, OR IT MAY MEAN REMOVAL FROM THE TEAM ALTOGETHER FOR THAT COMPETITION.

2. ATHLETES MAY NOT MISS COMPETITION DATES.

3. ANY EVENTS THAT CONFLICT WITH DATES ON THE UNITY CALENDAR MUST BE COMMUNICATED BY EMAIL FROM A PARENT/GUARDIAN NO LATER THAN 4 WEEKS BEFORE A UNITY EVENT. APPROVAL OF THE ABSENCE IS ALWAYS UP TO THE UNITY COACH'S DISCRETION.

4. UNEXCUSED ABSENCES WITHIN THE SEASON WILL RESULT IN LOSS OF POSITION ON THE TEAM.

DRESS CODE

- ATHLETES MUST MAINTAIN A GROOMED APPEARANCE AND GOOD PERSONAL HYGIENE AT ALL TIMES
